**Covid-19 Message...** We hope you and your family are doing well and adjusting to a world with Covid-19. Keeping those in our communities safe is our primary concern. We are hoping to bring all of the classes and programs in this catalog to you this summer as allowable in a safe and healthy way but, as we know, the future is uncertain. We are monitoring the Covid-19 situation and will continue to plan and prepare based on the most current guidance from the MN Department of Health, MN Department of Education, the CDC, the Governor and our Superintendent of Schools related to canceling or postponing classes.

We are not mailing the Community Education summer 2020 catalog to your home. Register for classes online, without being charged a fee, at **[bhmschools.ce.eleyo.com](http://bhmschools.ce.eleyo.com)**. You will provide your credit card information when registering but your account will not be charged at that time. If we are able to hold the class, your account will then be charged. Your saved financial information is secure and can not be viewed or accessed by anyone, including staff.

We will continue to adhere to the most up-to-date protocols and safety measures which may include limiting the maximum number of participants in a class. Keep safe and stay connected!

Until our office reopens, the best way to register for classes is by online registration and the best way to reach staff is by email or voicemail. Your message will be returned within 24 hours.

## Join Us for Summer ECFE in the Park!

Meet at the Sturges park bandshell at 10:30 am.

(Rain location for these activities is Discovery Center Auditorium)

### Teddy Bear Band

**July 14**

Children gain a positive sense of self and an appreciation of their own abilities. Bring your teddy bear.

### Rachael Kroog Kid Power

**July 21**

Join the Kid Power movement with dance, laughs and good times.

### Wonderful World of Woody

**July 28**

Music and sing-a-longs, juggling, a little magic, dancing and plenty of audience participation.

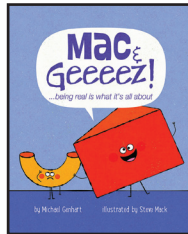

**ECFE Summer Story Time** is designed for children 3-6 years. Each session offers playtime, circle time and fun activities around each book's theme. Parents are invited to drop off their child and enjoy some time away, while their child learns about friendships and makes new friends. **Each child will receive a hardcover copy of the book shared during class. \$15 per child per class. 9-10:30 am, Discovery Center, room EC1, on the dates listed.** (Limit 10)

### **Mac and Geeeze!**

**June 22 SU4044A**

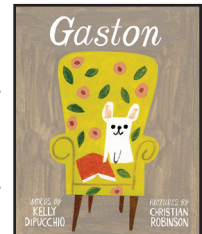

Mac and Cheese are best friends. But when Cheese starts showing off, being silly, and even poking fun at others, he stops acting like himself. Mac helps Cheese realize being yourself is the best way to be.

### **Gaston**

**July 13 SU4044C**

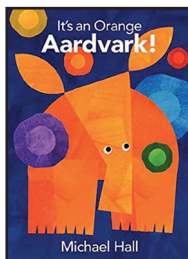

This is the story of four puppies. Gaston works the hardest at his lessons on how to be a proper pooch but a chance encounter with a bulldog family mixes things up. Can these puppies find where they belong?

### **It's an Orange Aardvark!**

**June 29 SU4044B**

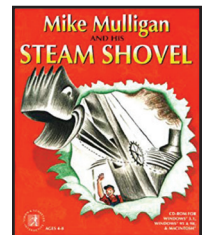

Five carpenter ants at home in their tree stump hear a noise. One ant thinks it is a hungry aardvark lurking outside waiting to eat them. One ant makes a hole in the stump to see. Orange light floods the stump—what can it be?

### **Mike Mulligan and His Steam Shovel**

**July 20 SU4044D**

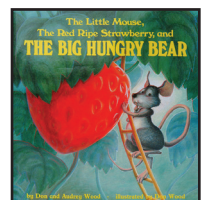

Mary Anne is an old steam shovel and isn't as shiny and pretty as some of the newer models are. Mike Mulligan still uses her though, and insists that she can do just as good of a job as those more modern models can.

### **The Little Mouse, The Red Ripe Strawberry and the Big Hungry Bear**

**July 27 SU4044E**

A little mouse has found a yummy, ripe, red, strawberry and he is not willing to part with it. Little Mouse will do all he can to save his strawberry from the Big, Hungry Bear.

# ■■■ *Classes & Summer Preschool*

## **Mixed Ages** Birth - 5 years by June 1

Parents and children have playtime together then parents separate for discussion led by a parent educator. For children, playtime continues with a child educator. Activities for children 6 months to kindergarten entrance include stories, snack time and active play. Topics for parent discussion are based on parent needs. Children under 6 months are invited to stay with parents.

## May Lessons & Learn to Swim ■ ■ ■

American Red Cross **Learn to Swim** offers six comprehensive levels to teach students how to swim skillfully and safely. The pre-requisite for each level is the successful demonstration of skills from the preceding level. **The shallow end of the pool is 42". Therefore, children must be 48" tall and at least 6 years old to participate in levels 1-6.** Children under 48" in height should enroll in the Preschool Aquatics. Each level of **Learn to Swim** includes basic water safety and helping a swimmer in distress.

### **Parent and Child Aquatics**

**(6 months to 3 years) Fee: \$59**

Parents and children learn together to increase a child's comfort level in the water and build a foundation of basic skills such as arm and leg movements and breath control. Each level is fun-filled and introduces water safety.

#### **Parent Child 1**

- ♦ Change body position in the water
- ♦ Learn how to play safely
- ♦ Experience wearing a life jacket

#### **Parent Child 2**

- ♦ Expectation for adult supervision
- ♦ Enter and exit the water safely
- ♦ Submerge in a rhythmic pattern

### **Preschool Aquatics (4–5 years old)**

**Fee: \$59**

Children learn basic aquatic safety, survival and swimming skills while increasing comfort level in and around the water. Skills are age-appropriate, helping children achieve success and enjoy social interactions with other children. As in all Swimming and Water Safety courses, your child will always know it's safety first.

### **Parent and Child Aquatics Preschool Aquatics**

25 minute each session

Fee: 8-sessions, \$59

### **Learn to Swim: Levels 1-6**

45 minutes each session

Fee: 8-sessions, \$64

**The pool is located at the Buffalo Community Middle School Enter door #3, lower west side**

### **Learn to Swim Levels 1-6 (age 6+)**

#### **Level 1: Intro to Water Skills**

Orient participants to the aquatic environment and help gain basic aquatic skills. Begin to develop positive attitudes and safe practices around water.

#### **Level 2: Fundamental Aquatic Skills**

Build on basic aquatic skills, water safety and concepts learned in level 1.

#### **Level 3: Stroke Development**

Build on skills learned in Levels 1 and 2 to help participants achieve basic competency in a pool environment. Head first entry, survival floating and treading water.

#### **Level 4: Stroke Improvement**

Improve participants' proficiency in performing swimming strokes introduced in Level 3. Swim front crawl 25 yards, breaststroke, back crawl and butterfly 15 yards.

#### **Level 5: Stroke Refinement**

Participants refine their performance of all six swimming strokes (front and back crawl, butterfly, breaststroke, elementary backstroke and sidestroke).

#### **Level 6: Skill Proficiency**

Preparing students to participate in more advanced courses. **See swim charts for specific component.**

### WEST Adult Basic Education (ABE)

**WEST ABE** is the educational service provider for adults in the west metro area. Local programs, such as the one in Buffalo, help adults age 17 years and older to develop their academic skills. Visit [westabe.org](http://westabe.org) for regional program information. **See below for opportunities through Buffalo Community Education.**

#### Study even during Social Distancing!

Distance learning platforms AND the support of an instructor are both available to new and continuing students even when classes are unable to meet face-to-face. Contact the instructor to make a plan just for you.

#### ABE Academic Study

ABE studies help adult learners who want to gain skills in math, reading, and writing. Some learners choose to focus on preparation for the GED® (General Education Development) tests. Teacher support, materials, and online study tools continue even if face-to-face classes are postponed due to social distancing orders. When in-person classes resume, there are day and evening classes offered.

- ♦ Mondays & Wednesdays, 11:30 am-2 pm
- ♦ Tuesdays & Thursdays, 6-8:30 pm
- ♦ Phoenix Learning Center, 800 8th St. NE, Buffalo
- ♦ Closed when BHM Schools are closed
- ♦ Open every month except August
- ♦ Call the instructor to begin at 763.682.8688

**GED® Preparation** - See ABE Academic Study

#### English Language (ELL/ESL) Class

Learners improve their speaking, listening, reading, and writing skills in English. Access to Rosetta Stone is available to enrolled students. When social distancing orders are not in effect, this group meets two evenings a week.

- ♦ Tuesdays & Thursdays, 6-8:30 pm
- ♦ Phoenix Learning Center, 800 8th St. NE, Buffalo
- ♦ Closed when BHM Schools are closed
- ♦ Open every month except August
- ♦ Call the instructor to begin at 763.682.8687

#### Reading Classes

There are two reading classes available: one for adults who struggle to “get the word off the page” and another for adults who can read but do not understand everything they read. Pre-registration and reading assessments are required for these classes. **Call Terrisa at 763.682.8688 for more information.**

#### Distance Learning

##### Free Access to Online Platforms

Enrolled adult learners can study anytime and anywhere with support from a WEST ABE teacher. Terrisa, the teacher, can assist learners using a number of platforms such as Edmentum, Khan Academy, MobyMax, Rosetta Stone, and USALearns. Get started right away. Call Terrisa at 763.682.8688.

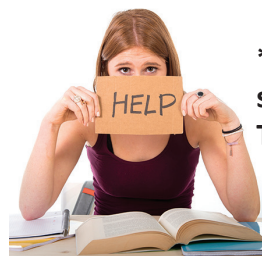

#### General Education Development (GED®) Information

**Warning Regarding Misleading GED® Claims** - The State of Minnesota GED® Diploma cannot be earned or obtained on the internet or through correspondence programs. The GED® tests are administered only under the direction of Pearson VUE and the GED® Testing Service; most testing sites are within public school buildings so testing may not be available during social distancing orders.

For current information, visit [GED.com](http://GED.com), [education.mn.gov/MDE/dse/abe/index.htm](http://education.mn.gov/MDE/dse/abe/index.htm) or call the testing center in Monticello at 763.272.2040.

#### First GED® Test Free (while funding lasts)

GED® testers in Minnesota can now get the first test in each subject free by entering code **MNGED30** when scheduling and paying for testing, while funding lasts.

**\*Many GED® testers need help studying. Contact instructor Terrisa for help 763.682.8688.**

## Health Promoting Classes

##### RESILIENT LIFE

Resilience is the process of adapting well in the face of significant sources of stress - such as family and relationship problems, serious health problems or workplace and financial stressors. It means "bouncing back" from difficult experiences. Resilience is not a trait that people either have or do not have-we all have aspects of resilience. The behaviors, thoughts and actions that build resilience can be learned and developed in anyone. In this 6-week series, we'll practice the skills proven to help build resilience of mind, body and spirit. Skills such as mindfulness, optimal nutrition, movement and cultivating a healthy relationship w/ self and others will be taught and practiced in class. By practicing these skills regularly, you can strengthen your ability to bounce back from adversity and to grow and thrive in your professional and personal life.

Register at [allina.learnitlive.com/class/13360/Resilient-Life-Buffer-Hospital#](http://allina.learnitlive.com/class/13360/Resilient-Life-Buffer-Hospital#)
