District Activities/Athletic Conferences

Activities and athletics at the district's high school level participate in the Lake Conference. The conference is made up of seven districts (including BHM): Eden Prairie, Edina, Hopkins, St. Michael-Albertville, Minnetonka and Wayzata. The middle school participates in the Mississippi 8 Conference which includes: Becker, Big Lake, Cambridge-Isanti, Chisago Lakes, Monticello, North Branch, Princeton and St. Francis.

For the most current schedule of events, visit www.lakeconference.org or www.mississippi8.org. Students, parents and the public can use this site for up-to-the-minute school activities information. The comprehensive site will include detailed information about meetings, scheduled events, practices, cancellations and more. Projected dates for state tournaments can be found at www.mshsl.org.

Student Immunization Law

According to the State Immunization Law, all students must have their immunization status up-to-date prior to attending school. This requirement is met through one of the following:

- Immunization dates for required immunizations (see below)
- Notarized conscientious exemption on file (listing specific immunizations)
- Medical exemption on file (signed by healthcare provider)

This applies to all students enrolled in any of the district's schools as well as preschool or Early Childhood Special Education. If receiving vaccinations, students entering kindergarten must show evidence of having:

- Five (5) Diphtheria, Tetanus and Pertussis
- Four (4) Polio
- Three (3) Hepatitis B (HBV)
- Two (2) MMR (Measles, Mumps and Rubella)
- Two (2) Varicella (Chicken Pox)—or medical verification of disease history

In addition to the above, students entering 7th grade in September must also show evidence of:

- Tdap (Tetanus/pertussis booster—given at or after age 11)
- MMR Two (2) (Measles, Mumps and Rubella)
- Meningococcal (MCV) #1

The immunization law mandates schools to exclude any student that is not in compliance with the requirements. There are limited exceptions to this rule. If you are unsure of your child's immunization status please contact your health care provider or the licensed school nurse at your child's school.

Licensed School Nurses for Immunizations:

Heidi Gallart, RN 763-682-8514
—(Elementary)
Karen Schultz, RN 763-682-8120
—(Middle and High Schools)

COVID-19 Guidance

If your child is experiencing a new onset or worsening cough, or shortness of breath, or multiple symptoms, please call your child's school health office to review the COVID-19 exclusion guidelines for return to school.

We ask that all parents check their child's temperature before the school day; if 100.4 or above, your child should stay home. If any other new onset of signs or symptoms of illness are present, please also keep your child at home to monitor for additional symptoms.

If no other symptoms are experienced, your child may return to school following our district guidelines for illness posted on www.bhm-schools.org in the Illness and Injuries Guide.

Equal Opportunity

Buffalo-Hanover-Montrose Schools is committed to a policy of equal opportunity for all students and employees without discrimination as to gender, race, creed, religion, color, national origin, sexual orientation (including gender identity and expression), age, marital status or disability. This commitment is expressed in the school board-approved equal opportunity policy and the state and federal laws enacted to provide equal opportunity and eliminate discrimination in the following areas:

Criminal History Background Checks

Buffalo-Hanover-Montrose Schools (BHM) is required to conduct a criminal history background check on all individuals who are offered employment in the district and on all individuals who provide athletic coaching or other extracurricular services, regardless of whether they receive compensation from the district.

District practice also requires all volunteers (with the exception of BHM student volunteers) to have a criminal history background check. Volunteers are responsible to cover the fee.

Emergency School Closings

School closings due to severe weather or other emergency reasons will be announced to families through the district's phone/email messaging system, on the district website at bhmschools.org and Facebook pages, KRWC (1360 AM) and WCCO (830 AM) radio, and WCCO 4, KSTP 5, KMSP 9 and KARE 11 television stations.

Generally, school will be in session if it is felt that the buses can make their routes safely. When weather conditions are questionable, the district's contracted bus company and the district's administration do considerable checking of road conditions.

Since the school district is very large, with different types of terrain, it is impossible to determine conditions in every sector on a given day. Based on the information from the bus company, the district's administration decides to either close schools or keep them open. Even if school is in session, parents are asked to assess their particular situation and determine whether or not it is safe for their child(ren) to attend school on a particular day.

Crews work year-round to make sure the grounds are clear of snow and ice, the lawns are trimmed and shaped, classrooms and hallways are clean and repairs are attended to regularly. The pride they take in the schools is reflected in the top condition of the buildings.

The District annually approves LTFM projects to maintain/repair existing spaces. This year, projects include the following:
