### Student Immunization Law

According to the State Immunization Law, all students must have their immunization status up-to-date prior to attending school. This requirement is met through one of the following:

- Immunization dates for required immunizations (see below)
- Notarized conscientious exemption on file (listing specific immunizations)
- Medical exemption on file (signed by healthcare provider)

This applies to all students enrolled in any of the district's schools as well as preschool or Early Childhood Special Education. If receiving vaccinations, students entering kindergarten must show evidence of having:

- Five (5) Diphtheria, Tetanus and Pertussis
- Four (4) Polio
- Three (3) Hepatitis B (HBV)
- Two (2) MMR (Measles, Mumps and Rubella)
- Two (2) Varicella (Chicken Pox)—or medical verification of disease history

In addition to the above, students entering 7<sup>th</sup> grade in September must also show evidence of:

- Tdap (Tetanus/pertussis booster—given at or after age 11)
- MMR Two (2) (Measles, Mumps and Rubella)

Students entering 12th grade in September must show evidence of:

- Meningococcal (MCV) #2 or a signed and notarized conscientious exemption form on file.

The immunization law mandates schools to exclude any student that is not in compliance with the requirements. There are limited exceptions to this rule. If you are unsure of your child's immunization status, please contact your health care provider or the licensed school nurse at your child's school. For questions regarding your child's immunization, please contact their school nurse. Contact information for all sites can be found at <https://www.bhmschools.org/health-services>.

### Student Illness Guidance

If your student is experiencing symptoms of illness or has received a new diagnosis, please follow our district guidelines for illness posted at [www.bhmschools.org](http://www.bhmschools.org) in the *Health Services > Illness and Injuries Guide* section for return-to-school information. If your child has been diagnosed with COVID or you have additional questions regarding information in the *Illness and Injuries* section, please call your school's health office.

All absences or illness should be called into your student's school attendance line. Please share the reason for the absence and any symptoms your student is experiencing. This helps our health staff be aware of common illnesses across the district.

## Equal Opportunity

Buffalo-Hanover-Montrose Schools is committed to a policy of equal opportunity for all students and employees without discrimination as to gender, race, creed, religion, color, national origin, sexual orientation (including gender identity and expression), age, marital status or disability. This commitment is expressed in the school board-approved equal opportunity policy and the state and federal laws enacted to provide equal opportunity and eliminate discrimination in the following areas:

#### Education Practices:

1. Access to course offerings
2. Curricular materials
3. Counseling practices
4. Co-curricular activities
5. Athletics
6. Use of school facilities

#### Employment Practices:

1. Employment criteria
2. Hiring and terminating
3. Job classification and structure
4. Advertising
5. Pre-employment inquiries

Inquiries regarding policy may be directed to: Evan Ronken, HR Director, 763-682-8713.

### Criminal History Background Checks

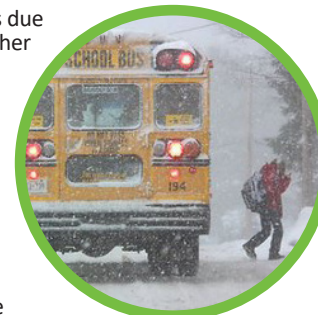

Buffalo-Hanover-Montrose Schools is required to conduct a criminal history background check on all individuals who are offered employment in the district and on all individuals who provide athletic coaching or other extracurricular services, regardless of whether they receive compensation from the district.

District practice also requires all volunteers (with the exception of student volunteers) to have a criminal history background check. Volunteers are responsible to cover the fee.

## Emergency School Closings

School closings due to severe weather or other emergency reasons will be announced to families through the district's phone/email messaging system, on the district website at [bhmschools.org](http://bhmschools.org), on the district Facebook page, KRWC (1360 AM) and WCCO (830 AM) radio, and WCCO 4, KSTP 5, KMSP 9 and KARE 11 television stations.

Generally, school will be in session if it is felt that the buses can make their routes safely. When weather conditions are questionable, the district's administrators and contracted bus company personnel check local road conditions extensively before making a decision.

Since the school district is very large, with different types of terrain, it is impossible to determine conditions in every sector on a given day. Based on the information from the bus company, the district's administration decides to either close schools or keep them open. Even if school is in session, parents are asked to assess their particular situation and determine whether or not it is safe for their child(ren) to attend school that day.
