Student Placement Consideration for 2022-2023 School Year

Assigning students to classrooms for the 2022-2023 school year will be completed late this spring. Final placement of students is completed by the principal and teachers. When placing students, the following factors are considered:

Male/female ratio	Special needs (IEPs, ELL, etc)	Independence level
Class size	Self control/maturity	Peer relations
Academic achievement	Self motivation	Parental concerns

School staff is knowledgeable of your child as a student and of the school setting and educational needs. Parents wishing to have input in the process must complete the form on the bottom of this page, and return it to Ms. Iden in the school office in a sealed envelope by **April 31, 2022.**

Your concerns will be considered, but decisions will be based on the above mentioned characteristics. Please prioritize your requests. For example, if you have a request to separate your child from more than one student, you must indicate the request in two separate priorities. We will do our best to honor your request.

PLEASE DO NOT REQUEST A SPECIFIC TEACHER. REQUESTS FOR SPECIFIC TEACHERS WILL NOT BE CONSIDERED WHEN MAKING STUDENT PLACEMENTS. TEACHERS WILL BE READING THESE PLACEMENT CONSIDERATION FORMS AND ASSISTING WITH PLACEMENTS.

Examples for placement consideration priorities:

- Nurturing teacher
- Teacher with firm and consistent boundaries
- We would like our child to be separated from... (one student only)
- I would prefer a teacher who uses parent volunteers.

***SEND IN A SEALED ENVELOPE**
