Buffalo-Hanover-Montrose

INDEX TITLE Students SERIES NO. 500

POLICY TITLE Student Attendance CODE NO. 503

I. PURPOSE

- A. The school board believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students and establishes regular habits of dependability important to the future of the student. The purpose of this policy is to encourage regular school attendance. It is intended to be positive and not punitive.
- B. This policy also recognizes that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher and administrators. This policy will assist students in attending class.

II. GENERAL STATEMENT OF POLICY

A. Responsibilities

1. Student's Responsibility

It is the student's right to be in school. It is also the student's responsibility to attend all assigned classes and study halls every day that school is in session and to be aware of and follow the correct procedures when absent from an assigned class or study hall. Finally, it is the student's responsibility to request any missed assignments due to an absence.

2. Parent or Guardian's Responsibility

It is the responsibility of the student's parent or guardian to ensure the student is attending school, to inform the school in the event of a student absence, and to work cooperatively with the school and the student to solve any attendance problems that may arise.

3. Teacher's Responsibility

It is the teacher's responsibility to take daily attendance and to maintain accurate attendance records in each assigned class and study hall. It is also the teacher's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly. It is also the teacher's responsibility to provide any student who has been absent with any missed assignments upon request. Finally, it is the teacher's responsibility to work cooperatively with the student's parent or guardian and the student to solve any attendance problems that may arise.

4. Administrator's Responsibility

- a. It is the administrator's responsibility to require students to attend all assigned classes and study halls. It is also the administrator's

responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly to all students, to maintain accurate records on student attendance. Finally, it is the administrator's responsibility to inform the student's parent or guardian of the student's attendance and to work cooperatively with them and the student to solve attendance problems.

- b. In accordance with the Minnesota Compulsory Instruction Law, Minnesota Statutes, section 120A.22, the students of the school district are REQUIRED to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and school district standards required to graduate from high school, has withdrawn, or has a valid excuse for absence.
- c. The district must count a student as in attendance on each day the student receives supervision, instruction, or services from school staff during scheduled school hours. Minnesota Statutes, section 120A.22 does not remove the school district's responsibility to continue to comply with reporting requirements in Minnesota Statutes, section 126C.05 for the purposes of funding.
- d. The principal must issue and keep a record of attendance, under rules established by the school board.

B. Attendance Procedures

Attendance procedures shall be presented to the school board for review and approval. When approved by the school board, the attendance procedures will be included in each school's handbook.

1. Excused Absences

- a. A parent, guardian, or other person having control of a child may apply to a school district to have the child excused from attendance for the whole or any part of the time school is in session during any school year. Application may be made to a truant officer or the school official designated by the principal. A note from a physician or licensed mental health professional stating that the child cannot attend school is a valid excuse.
- b. To be considered an excused absence, the student's parent or legal guardian may be asked to verify, in writing, the reason for the student's absence from school.
- c. The school board of the district in which the child resides may approve the application under subparagraph (a) above upon a legitimate exception being demonstrated to the satisfaction of that board.
- d. Legitimate Exceptions
The following reasons shall be sufficient to constitute excused absences:
 - (1) that the child's physical or mental health is such as to prevent attendance at school or application to study for the period required, which includes:
 - (a) child illness, medical, dental, orthodontic, or counseling appointments; including appointments conducted through telehealth;
 - (b) family emergencies;

- (c) the death or serious illness or funeral of an immediate family member;
 - (d) active duty in any military branch of the United States;
 - (e) the child has a condition that requires ongoing treatment for a mental health diagnosis; or
 - (f) other exemptions included in this attendance policy.
 - (2) that the child has already completed state and district standards required for graduation from high school; or
 - (3) that it is the wish of the parent, guardian, or other person having control of the child, that the child attend for a period or periods not exceeding in the aggregate three (3) hours in any week, instruction conducted by a Tribal spiritual or cultural advisor, or a school for religious instruction conducted and maintained by a church, or association of churches, or any Sunday school association incorporated under the laws of this state, or any auxiliary thereof. This instruction must be conducted and maintained in a place other than a public school building, and it must not, in whole or in part, be conducted and maintained at public expense. A child may be absent from school on days that the child attends upon instruction according to this clause.
- e. Consequences of Excused Absences
- (1) Students whose absences are excused are required to make up all assignments missed or to complete alternative assignments as deemed appropriate by the classroom teacher.
 - (2) Work missed because of absence must be made up within a reasonable amount of time following the absence as determined by the school. Any work not completed within this period shall result in “no credit” for the missed assignment. However, the building principal or the classroom teacher may extend the time allowed for completion of make-up work in the case of an extended illness or other extenuating circumstances.

2. Unexcused Absences

- a. The following are examples of absences which will not be excused:
- (1) Truancy. An absence by a student, which was not approved by the school district.

 - (3) Work at home.
 - (4) Work at a business, except under a school-sponsored work release program.
 - (5) Vacations with family (unless pre-approved by the building principal).
 - (6) Personal trips to schools or colleges.
 - (7) Absences resulting from cumulated unexcused tardies. (Three (3) tardies equal one (1) unexcused absence.)
 - (8) Any other absence not included under the attendance procedures set out in this policy.
- b. Consequences of Unexcused Absences
- (1) Absences resulting from official suspension will be handled in

accordance with the Pupil Fair Dismissal Act, Minnesota Statutes, sections 121A.40-121A.56.

- (2) Days during which a student is suspended from school shall not be counted in a student's total cumulated unexcused absences.
- (3) School personnel will attempt to contact parents of students who are excessively absent by phone or mail (either excused or unexcused). The intent of this contact will be to inform parents and solicit their cooperation in helping solve this problem.
- (4) In cases of recurring unexcused absences, the administration may also request the county attorney to file a petition with the juvenile court, pursuant to Minnesota statutes.
- (5) Students with unexcused absences shall be subject to discipline in the following manner:
 - (a) The student will receive the consequences as outlined in the Board approved discipline codes. These discipline codes are either found in the student handbooks, in the principal's office, or sent home with the student.
 - (b) If the result of a grade reduction or loss of credit has the effect of an expulsion, the school district will follow the procedures set forth in the Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56.

1. This policy applies to all students involved in any extracurricular activity scheduled either during or outside the school day and any school-sponsored on-the-job training programs.

1. That the child is truant;
2. That the parent or guardian should notify the school if there is a valid excuse for the child's absences;
3. That the parent or guardian is obligated to compel the attendance of the child at school pursuant to Minnesota Statutes, section 120A.22 and parents or guardians who fail to meet this obligation may be subject to prosecution under Minnesota Statutes, section 120A.34;
