Helping students be successful:

BHS Student Handbook (available on our BHS website)

Cell Phones/Personal Electronic Devices

Handheld devices such as cell phones and other electronic devices may be appropriately used before school until 8:50 AM. **By 8:50 AM when the school day begins, all devices must be appropriately stowed away.** Personal devices may be used during passing times and lunch, as well as after 3:25 PM. Teachers may allow students the use of phones during instructional time. If students choose to bring a phone to school, the school is not responsible for loss, damage, or theft. If technology misuse is an issue, student will be directed to return the device to their backpack or locker, and if refused, the student's parent may be required to pick the item up at school. The student may lose the privilege of bringing their device to school as well. Operation of all electronic devices are prohibited in bathroom and locker room areas.

Lockers

Every BHS student is expected to choose a locker. Hall lockers and physical education lockers are “on loan” to students for the school year and remain the property of the District 877. The school reserves the right to inspect lockers when building administrators deem such action necessary to insure the safety and welfare of students and staff. It is the individual student’s responsibility to keep his/her locker clean and neat inside and out. Students are advised not to keep money or other valuables in their lockers. The school will not be responsible for lost or stolen property. Students are expected to keep hallway and physical education lockers locked at all times. If the administration has *reasonable suspicion* that a student may be in possession of something dangerous, illegal or may cause a substantial disruption to the school environment, the school reserves the right to search lockers or a student’s personal property.

Students must purchase a padlock from the BCMS or BHS. These locks should be used for hallway and Physical Education lockers. Only locks purchased through the school will be allowed on any school lockers. You may use the locks you purchased from the high school or middle school in previous years.

Backpacks

Students will be allowed to have backpacks in class.

Teachers can ask students to leave them in their locker if space becomes an issue in the room.
