3D Engineering: Architectural & Structural Design

(Grades 1-5)

Bring your imagination to life. Become a master brick-layer and use our special architectural LEGO® kits to build your creations. Be an architect as you learn the principles of construction. The main goal of the course is to introduce the concept of 3-dimensions and their role in design. Students will construct buildings, structures, towers, castles, and more within teams. Students will learn construction principles and use math skills to experiment with scale and size, staggering vs. stacking bricks, and more. We will build houses with removable roofs, castles with turrets, and towers of strength! It might just be impossible to exhaust the creative potential of LEGO® bricks. With an active imagination as your guide, there are endless possibilities. Students will be working in pairs.

Play Bold! Girls Sports Sampler Camp

(Grades 5-8)

The **Play Bold** camp provides girls of all athletic abilities with the opportunity to learn, play, grow, and have FUN through various sports and leadership activities. This class is open to girls of all experience levels and no equipment is necessary. Our goal is to help girls develop their athletic abilities, while also having fun and teaching important leadership skills that can be applied both on and off the field. Girls will participate in a wide range of sports and will learn valuable team-building and communication skills. Our experienced coaches and staff are dedicated to creating a positive and supportive environment where girls can thrive, build self-confidence, and make lasting friendships.

About Our Pool

- ◆ The pool is located at the Buffalo Community Middle School. Enter door #3 (facing football field)
- ◆ Locker rooms are available to change after lessons
- ◆ Appropriate swim wear required
- ◆ Pool depth ranges from 3 feet 6 inches to 12 feet
- ◆ An adult must accompany children if under 48 inches in height
- ◆ The use of approved life jackets/ vests and other floatations are allowed when **accompanied by an adult in the water**
- ◆ To use the deep end of the pool, swimmers must be able to swim the width of the pool using the American Red Cross Level 3 front crawl. Swimming ability will be at the lifeguard's discretion
- ◆ Children are not allowed to jump off the diving boards into the arms of an adult in the water

Parent and Child Aquatics (6 months to 3 years) Fee: \$64

Parents and children learn together to increase a child's comfort level in the water and build a foundation of basic skills, such as arm and leg movements and breath control. The two levels are fun-filled and introduce water safety.

- ◆ Change body position in the water
- ◆ Learn how to play safely
- ◆ Experience wearing a life jacket
- ◆ Expectation for adult supervision
- ◆ Enter and exit the water safely
- ◆ Submerge in a rhythmic pattern

Preschool Aquatics (4-5 years old) Fee: \$64

Children are taught basic aquatic safety, survival and swimming skills, while increasing their comfort level in and around the water. Skills are age-appropriate, helping children achieve success on a regular basis and enjoy social interactions with other children. As in all Swimming and Water Safety courses, your child will always know that it's safety first.

Group Swim - Levels 1 to 6 (Age 6+) Fee: \$69

Level 1: Intro to Water Skills

Orient participants to the aquatic environment and help gain basic aquatic skills. Begin to develop positive attitudes and safe practices around water.

Level 2: Fundamental Aquatic Skills

Build on basic aquatic skills, water safety and concepts learned in level 1.

Level 3: Stroke Development

Build on the skills learned in Levels 1 and 2 to help participants achieve basic water competency in a pool environment. Head first entry, survival floating and treading water will be covered.

Level 4: Stroke Improvement

Improve participants' proficiency in performing the swimming strokes that were introduced in Level 3. Skills include swimming front crawl 25 yards, breaststroke, back crawl and butterfly 15 yards.

Level 5: Stroke Refinement

Level 6: Personal Water Safety

Participants refine their performance of all six swimming strokes (front and back crawl, butterfly, breaststroke, elementary backstroke and sidestroke).

About the Instructor

Heidi Steffens is the owner of *My Spirit Experience* spiritual center, a Master Reiki Instructor, and a Paranormal Investigator. She is the organizer of MPRS (Minnesota Paranormal Research Society) founded in 2008, co-hosts *The Gathering* - a weekly paranormal radio show, and hosts a podcast (*My Spirit Experience Podcast*) on the spiritual and paranormal. Heidi holds a Bachelor of Elemental Studies and a Master of Shamanic Intuition Practices. She is focused on helping people navigate their healing and soul-purpose paths in this world as well as working with lost or unwelcome spirits as the lines between planes and dimensions become more and more intertwined.

The day that changed America!

The Assassination of President John F. Kennedy: An In-Depth Analysis

This year marks the 60th anniversary of the tragic assassination of President Kennedy. This course will examine the discrepancies between the Warren Commission, that investigated the assassination for ten months and published their findings in September 1964; along with the conclusions reached by the United States House of Representatives that investigated the assassination for thirty-one months and published their report in March 1979. Participants in this class will develop a rounded perspective regarding many of the controversies surrounding the assassination of President Kennedy. There will be ample time for comments and questions.

David Yorks: A Brief Biography

David is a retired Minnesota small business owner with a Bachelor's and Master's Degree in American History. He has a fifty-five-year interest in the Kennedy presidency and has attended many national conferences regarding the assassination.

He has met with witnesses of the assassination and doctors who attended the President on that fateful day.

■ ■ ■ Day Trips

Get on the bus with Community Ed!

Old Log Theatre **Million Dollar Quartet** **Thursday, June 22**

The musical captures the memorable day when four Rock n' Roll greats made music history. On December 4, 1956, an auspicious twist of fate brought together Johnny Cash, Jerry Lee Lewis, Carl Perkins, and Elvis Presley at Sun Records' storefront studio in Memphis, TN. The man who made it happen was the "Father of Rock'n'Roll," Sam Phillips, who discovered them all. This was the only occasion the four legends-to-be played together, and it has come to be known as one of the greatest rock jam sessions of all time.

Lunch included: Bone-out short rib with mashed potatoes, green beans and au jus, chicken breast with roasted red potatoes, green beans and a sherry cream sauce or vegetarian pasta. Made with house marinara and fresh vegetables. Includes dinner roll, dessert, coffee or tea.

SU1203

- ◆ Bus departs Discovery Center, door 1, at 10:15 am
- ◆ Bus returns to Buffalo approximately 4 pm

A narrated cruise takes you along the southern route of the Grand Rounds Scenic Byway and Heritage Trail system, along the University of Minnesota Campus riverfront, under the stunning 35W Bridge, through the lower St. Anthony Falls Lock system showcasing views of the St. Anthony Falls, the historic Stone Arch Bridge, amazing river bluffs with views of the amazing downtown Minneapolis skyline as we show you the best the Mississippi River has to offer!

Beat Boom! A British Invasion Celebration, Sidekick Theatre Thursday, August 17

Pop culture in the U.S. was forever changed on a Sunday night in February 1964 when half of the country tuned in to watch the debut of the Beatles on the Ed Sullivan Show. Within a week, British pop music swept across America and dominated the charts and the airwaves. The British were coming! "Beat Boom" showcases your favorite Sidekick Theatre musicians performing iconic songs from the British Invasion, including "You Really Got Me" (The Kinks), "Satisfaction" (The Rolling Stones) and "Do Wah Diddy Diddy" (Manfred Mann).

Lunch includes: Honey Garlic Chicken served with Rice Pilaf, Teriyaki Green Beans, dinner roll, Chef's choice dessert, coffee and tea.

■■■ ABE Classes

WEST Adult Basic Education (ABE)

WEST Adult Basic Education programs are supported by regional community education departments including Buffalo Community Education. Programs are to help adults age 17 years or older (who are not enrolled in high school) develop basic skills. Visit westabe.org for more information or call Terrisa at **763.682.8509**.

ABE Academic Open Labs

ABE helps adult learners who want to acquire or improve their math, reading, or writing skills. Some learners might need to brush up on their skills before taking the GED tests or college entrance exam, for example. Others are learning information for the first time. Day and evening classes are available.

- ◆ **Discovery Center, 301 2nd Ave NE, Buffalo, Rm M4**
- ◆ Mondays & Wednesdays, 1:30-4 pm
- ◆ Tuesdays & Thursdays, 6-8:30 pm
- ◆ Closed July 3 & 4
- ◆ Closed the month of August through Labor Day
- ◆ Closed same days as BHM Schools
- ◆ Call **763.682.8509** or drop in

GED Preparation – see ABE Academic Open Lab

English Language (ELL/ESL) Class

Learners improve their speaking, listening, reading, and writing skills in English. This friendly, multi-level group meets two nights a week.

- ◆ **Discovery Center, 301 2nd Ave NE, Buffalo, Rm M5**
- ◆ Tuesdays & Thursdays 6-8:30 pm (Closed July 4)
- ◆ Closed the month of August through Labor Day
- ◆ Closed same days as BHM Schools
- ◆ Call **763.682.8507** or drop in

Reading Classes

There are two reading classes available: one for adults who struggle to “get the word off the page” and another for adults who can read but do not understand everything they read. Pre-registration and reading assessments are required for these classes. Call Terrisa at **763.682.8509** for more information.

Family Learning

WEST Adult Basic Education (ABE) partners with Early Childhood Family Education (ECFE) to offer this family literacy class. Parents study English or prepare for the GED, participate in parenting education and have learning time with their children. Children must be pre-school age. Call **763.682.8780** for more information and to register for the fall class beginning in September. Space is limited.

The GED® in Minnesota

To Get Started: Register online at ged.com

Eligibility: If you are 19 years old, do not have a recognized high school diploma and are not currently enrolled in high school, you are eligible to take the GED®.

Getting an Age Waiver: If you are 17 or 18 years old and are not currently enrolled in high school, you must apply for an age waiver before testing.

Once You Pass All the Tests in the GED: The MN Department of Education will mail your official diploma.

Warning! Misleading GED Claims

The Tests of General Educational Development developed by GED Testing Service® are administered only under the direction of Pearson VUE® and GED Testing Service.
