■ ■ ■ Parent Child Classes

ECFE Summer Story Time is designed for children age 2.5 to 6. Each session will offer a playtime, circle time and fun activities around each book's theme. Parents are invited to drop off their child and enjoy some time away while their child participates in story time and fun activities with their ECFE friends. **Each family will receive a copy of the summer story book shared during the class.** (Limit 10)

\$8 per family per class. 9:30-11 am, Discovery Center, Room EC1, with Jen Dismang.

It's an Orange Aardvark!

June 17 S4044A

Five carpenter ants at home in their tree stump hear a noise. One ant thinks it is a hungry aardvark lurking outside waiting to eat them. One ant makes a hole in the stump to see. Orange light floods the stump—it's not an aardvark, proclaims the ant chorus. It's orange! Each family is invited to take home a FREE book.

The Little Mouse, The Red Ripe Strawberry and the Big Hungry Bear

July 22 S4044C

A little mouse has found a yummy, ripe, red strawberry and he is not willing to part with it. Little Mouse will do all he can to save his strawberry from the Big Hungry Bear. Each family is invited to take home a FREE book.

Pete the Cat and the Perfect Pizza Party

June 24 S4044B

Jr. Bison Football Registration

Are you ready for some football?

The **Jr. Bison Football Program** is designed for students entering grades 1-6 in the fall of 2021. The football season begins mid-August and concludes mid-October. Grades 1-2 play flag football. Grades 3-6 play tackle football. ***Each student playing tackle is required to provide their own helmet.**

Teams practice one to two times per week in the evening and games are played Saturday mornings. There will be no special arrangements of players and we set our grade levels for safety and liability.

This program relies heavily on volunteers to ensure its success. We can't have teams without coaches! Please contact Todd Lunning, Recreation Coordinator, at tlunning@bhmschools.org or 763.682.8176 to sign on to help.

Students interested in playing football this fall should **register online by July 15 to guarantee a roster spot.** Registrations received after July 15 will only be placed on a roster if space allows.

Register online at
bhmschools.ce.eleyo.com

Register at least one-week prior to start date.
Classes with low enrollment may be canceled at that time.

At-Home Kits

Science of Slime and Crazy Catapults (Age 8+)

Have fun with two hands-on STEM topics...Slime and Catapults. In this DIY kit, you will first investigate the chemical reaction that creates slime. Mix up your own

batches of Glow, Silky, and Foam Slimes as you discover why slime is delightfully bouncy, stretchy and gooey. Then, build three different catapults to examine how levers, energy, and Newton's Laws of Motion all work together as you fling ping-pong balls while practicing your launching and aiming skills. This kit is more than hands-on...it's hands in!

At-Home Kits

Wizard School

(Grade 1-5)

Join **Discovery Explorers** as we investigate a virtual wizard's laboratory. You will become an apprentice of Wizard Todd as you learn the science behind the magic. Wizard Todd will teach you to harness electricity to make your own wand. You will also explore the secret world of alchemy as you create scientific potions and more in this fun, hands-on imaginative class. A 30-day link will be provided to access a private video on YouTube.

The Kit Includes: A private link to a pre-recorded class on *YouTube* can be viewed for 30 days; An outline to indicate supplies needed for each experiment/activity; Pipette and spoon; Model Magic; Items to make a light up wand; Powders for a fun transfiguration experiment; Purple cabbage extract; Dragon glider, Pop Rocks and much more!

Ph Testing and Art Bot

(Ages 8+ if working with adult, 12+ if working only with adult supervision)

Have fun with two STEM topics...engineering and chemistry with pH. Take your first steps into engineering by designing and building your own **Art-Bot**. Using the Activity Guide, with detailed picture instructions, the fun begins as you build your own **Art-Bot** with a motor, battery holder and more! Then, give your robot a personality with the craft supplies included in the kit. This STEM kit is not just hands-on....it is hands-in. Then, step into your own science lab to test the pH of six everyday substances. The exciting part of testing for pH is that the mixture changes color. The final color will indicate if the substance tested is an acid, a base or a neutral. This experiment will have your child excited about the science side of STEM! Plus, enough pH indicator will be provided so this experiment can be conducted again to test other items found around your home.

The kit includes: 1-AA battery, 1-AA battery holder, 1 hobby motor, 1.5 volt with wires, 1 piece of cardboard with pre-punched holes, 1 paper clip, 2 metal fasteners, 1 large paper cup, 1 clothespin half, 3 markers, 4 pipe cleaners, 6 pom-poms, 6 wiggle eyes, 3 feathers, 4 4x4 inch construction paper, 1 pipette (dropper), 1 tsp of dried purple cabbage extract, 1 tsp of citric acid, 1 tsp of baking soda, 1 tsp of salt, 1 tsp of sugar, 1 tsp of vinegar powder, 1 tsp of alum, 1 craft stick, 1 spoon, Activity Guide.

Home Safety Tips for Older Adults Virtual via Zoom

With a growing number of older adults living independently, it's increasingly important to make sure that they're safe at home. Falls, burns, and poisonings are among the most common accidents involving older people. Older adults who live alone may also become the victims of criminals who target older people. If you're an older adult living on your own, or care for an older person living alone, this class may be able to provide you some useful tips on what you or your loved ones may need to do to stay safe. **Deadline to register is August 3 so we have enough time to send an invite. Don't forget to include your email address.**

Day Trippers Theatre, Bloomington

Join us for an afternoon lunch and play. *"Sex Please We're Sixty"* is a play where **Golden Girls** meet **Grumpy Old Men**. Mrs. Stancliffe's Rose Cottage Bed and Breakfast guests (nearly all women) return year after year. Her next door neighbor, silver-tongued Bud (the Stud) believes they come to spend time with him in romantic liaisons. When he gets his hands on a new experimental pill, "Venusia", comedy ensues.

SU1000

- ♦ Bus departs Discovery Center (door 1) at 11 am
- ♦ Lunch at 12 pm followed by the show at 1 pm
- ♦ Bus returns to Buffalo approximately 4 pm
- ♦ **\$89 fee** includes motor coach transportation, lunch, show and chaperone
- ♦ **Deadline to register is May 6**

Wednesday, July 21
Sidekick Theatre,
Bloomington

Johnny Cash traditionally began his concerts with the simple introduction, "Hello, I'm Johnny Cash", followed

by his signature song "Folsom Prison Blues". Get ready for Brian Pekol and his trio of musicians to do the same! Johnny Cash's unique sound embraced country music, rock and roll, rockabilly, blues, folk, and gospel, so expect this concert to be jam-packed with such hits as "I Walk the Line", "Ring of Fire" and "Get Rhythm."

SU1001

- ♦ Bus departs Discovery Center (door 1) at 10:15 am
- ♦ Lunch at 11:30 am followed by the show at 1 pm

- ♦ **Registration deadline July 1**

A Bench in the Sun

Wednesday, August 18

Day Trippers Theatre, Bloomington

When Adrienne Bliss, a once famous actress, moves into Valley View Gardens retirement home, Burt and Harold, two longtime friends, compete for her attention. Think the Odd Couple + Sunshine Boys + Grumpy Old Men = a very wise, very moving, and most of all, very funny Mel Brooks comedy. This play starred Tim Conway of the Carol Burnett show in its original production.

SU1004

- ♦ Bus departs Discovery Center (door 1) at 11 am
- ♦ Lunch at 12:15 pm followed by the show at 1:15 pm
- ♦ Bus returns to Buffalo at approx 4 pm

WEST Adult Basic Education (ABE)

WEST ABE is the educational service provider for adults in the west metro area. Local programs, such as the one in Buffalo, help adults age 17 years and older to develop their academic skills. Visit westabe.org for regional program information. See below for opportunities offered by WEST ABE through Buffalo Community Education.

Study even during Social Distancing!

Distance learning platforms AND the support of an instructor are both available to new and continuing students even when classes are unable to meet face-to-face. Contact the instructor to make a plan just for you.

ABE Academic Study

ABE studies help adult learners who want to gain skills in math, reading, and writing. Some learners choose to focus on preparation for the GED® (General Education Development) tests. Teacher support, materials, and online study tools continue even if face-to-face classes are postponed due to social distancing orders. Day and evening class times are available; start times will remain the same in the event that they are offered virtually rather than in-person due to Covid-19.

- ♦ Mondays & Wednesdays, 1-3:30 pm
- ♦ Tuesdays & Thursdays, 6-8:30 pm
- ♦ PRIDE Building, 800 8th St. NE, Buffalo
- ♦ Closed when BHM Schools are closed
- ♦ Open every month except August
- ♦ **Contact instructor Terrisa to begin at 763.682.8688 or tfisher@bhmschools.org**

GED® Preparation - See ABE Academic Study

English Language (ELL/ESL) Class

Learners improve their speaking, listening, reading, and writing skills in English. Access to Rosetta Stone is available to enrolled students. When social distancing orders are not in effect, this group meets two evenings a week.

- ♦ Tuesdays & Thursdays, 6-8:30 pm
- ♦ PRIDE Building, 800 8th St. NE, Buffalo
- ♦ Closed when BHM Schools are closed
- ♦ Open every month except August
- ♦ **Call the instructor to begin at 763.682.8687**

***Many GED® testers need help studying. Contact instructor Terrisa for help 763.682.8688.**

General Education Development (GED®) Information

Warning Regarding Misleading GED® Claims - The State of Minnesota GED® Diploma can only be earned through the GED® tests administered under the direction of Pearson VUE and the GED® Testing Service. Avoid scammers! Look for the official names Pearson VUE/GED®. Most testing sites are within public school buildings so testing may not be available during social distancing orders.

For current information, visit GED.com, education.mn.gov/MDE/dse/abe/index.htm or call the testing center in Monticello at **763.272.2040**.

First GED® Test Free (while funding lasts)

GED® testers in Minnesota can now get the first test in each subject free by entering code **MINGED30** when scheduling and paying for testing, while funding lasts.

Reading Classes

There are two reading classes available: one for adults who struggle to “get the word off the page” and another for adults who can read but do not understand everything they read. Pre-registration and reading assessments are required for these classes. **Contact Terrisa at 763.682.8688 or tfisher@bhmschools.org for more information.**

Distance Learning

Free Access to Online Platforms

Enrolled adult learners can study anytime and anywhere with support from a WEST ABE teacher. Terrisa, the teacher, can assist learners using a number of platforms such as Edmentum, Khan Academy, MobyMax, Rosetta Stone, and USALearns. Get started right away! **Contact Terrisa at 763.682.8688 or tfisher@bhmschools.org for more information.**
