## Fall is here and we are Back "Together" in BHM Community Education!

We are excited to be able to once again offer a wide variety of activities and programs. It will look a little different as we will be wearing a face covering for most activities, but we are pleased to be back together in person.

We have worked diligently to provide programming that follows the recommendations and guidance from the Minnesota Department of Education (MDE) and the Minnesota Department of Health (MDH) to provide you and your family a safe learning environment. We built in additional hygiene practices, frequent cleaning protocols, social distancing, smaller class sizes, limiting the sharing of supplies, and monitoring for illnesses. We will continue to follow the most up to date guidance from MDH, MDE and the CDC and adjust programs and practices accordingly to ensure your family is safe.

We will also try to be flexible with our refund policy if you are unable to attend due to COVID-19.

Thank you for trusting us with your programming needs. We look forward to seeing you back at BHM Community Education!

### On-line Preschool for 3-5 year olds

Our teachers will spend time, through a digital platform, creating a partnership with you and building a relationship with your child in our Ready Set Grow Online class. We will design activities to support your child's growth and development, through live time and recorded lessons. Many of the hands-on activities will be supported through the materials contained in the PreK Bison Pack. Just like our face to face preschool classes, Ready Set Grow On-Line will use creative curriculum, Handwriting without Tears and Second Step Social Emotional curriculum, all led by licensed early childhood teachers.
