

Buffalo-Hanover-Montrose Schools

Nutrition Services Department 2019-20

A well balanced breakfast and lunch are an essential part of a successful school day for your child. We offer meals that are nutritious and meet all USDA requirements. All students have access to breakfast and lunch each day. Second meals and individual menu items are the same price for everyone. Milk, when purchased by itself, is \$.50. The monthly breakfast and lunch menus are posted to the BHM website. We also email a copy of the menus each month to parents/guardians.

Breakfast

Elementary: \$1.90

Secondary: \$2.00

Non-Student: \$2.20

Lunch

Elementary: \$2.80

Secondary: \$3.00

Non-Student: \$3.85

Breakfast is FREE for Kindergarteners during the 2019-20 school year!

All students are assigned a PIN number to enter into a keypad when purchasing meals in the school cafeteria. Your child's PIN number will be sent to you from the District Nutrition Services Office in an email/text prior to the first day of school. We encourage parents and teachers to help their child memorize their PIN numbers.

We recognize the need to make accommodations for students with special dietary needs. A physician's statement is required for most menu accommodations. Please contact the District Nutrition Services Office for assistance if your child has special dietary needs.

Sincerely,

Kim Hinrichs, Nutrition Services Director

Parent Portal Meal Account Payments

Meal account payments can be made through the Parent Portal:

<https://campus.bhmschools.org/campus/portal/buffalo.jsp>

Instant Online Payments-The Parent Portal provides families the flexibility to pay online and view daily cafeteria purchases at any time. You may use your credit/debit card (Master Card, Visa, Discover) to make payments to your family meal account at no cost. Campus Online Payments provides instant access of payments to students.

Family Accounts-Meal accounts are family accounts, meaning that all family members will share the same funds.

Balance Notices-Low and negative meal account balance notices will be sent Monday - Friday.

School Meals Program Applications

A NEW APPLICATION IS NEEDED EACH SCHOOL YEAR.

You may apply for free or reduced priced school meals at any time during the school year.

Qualification is based on your family's gross income. You may apply online by going to:

<https://campus.bhmschools.org/campus/portal/buffalo.jsp>

Eligibility letters will be available to parents/guardians on Parent Portal. You may also contact the District Nutrition Services Office for a copy of your eligibility letter.

Paper applications are available in the District Nutrition Services Office.

This institution is an equal opportunity provider.
