THE TATANKA TIMES

ENGINEERING OUR FUTURE

We Have Spirit!

This short week was packed with lots of school spirit! We celebrated the unique date of 2-22-22 with tutus, ties, and two of everything! We also wore our wackiest clothes on Wednesday. Tomorrow, we are ending our week with a Book Character/ Vocabulary Word Parade at 8:15am! We hope to see many families join us in the gym for this event.

Winter Reading!

Students enjoy reading in a special spot in the main office!

Parking Lot

Please help us keep the parking lot running smooth at drop off & pick up!

- No left turns at the stop sign
- Stay in your vehicle if you are in the drop off/pick up line.
- If your child needs more support getting out of the vehicle or needs extra time to say goodbye in the morning, please park in the lot and help walk your child to the building.
- Pull all the way up, do not leave large gaps between cars.
- Help our neighbors, avoid blocking their driveway.

We have seen an increase in students wearing Heely's. Although they are fun to wear, we cannot have these at school as they are unsafe. Thank you for helping us keep everyone safe by keeping these items at home.

Please sign up for a time to meet with your child's teacher on March 8, 10 or 14 at:
