Ideas for PLAY!

Have you ever thought about putting on a Family Talent show, Concert, or Puppet show with your children?

Set up a stage to show off your talents or put on a family concert. Don't be afraid to be silly! Maybe you can belt your favorite song, show off your dance skills, tell some of your favorite jokes, or show off your karate skills...be creative! Or use stuffed animals to put on a puppet show behind the couch or a table. You can write a script or be impromptu!
