

MAY 5TH, 2022

# THE TATANKA TIMES

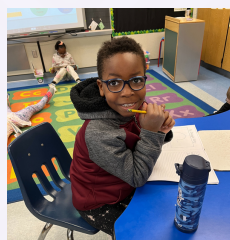

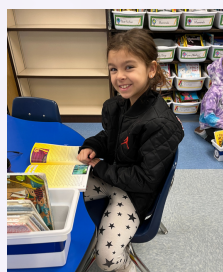

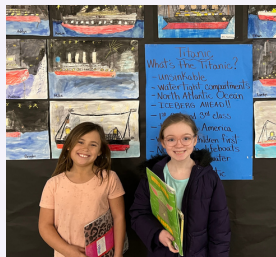

ENGINEERING OUR FUTURE

## CELEBRATE UNIQUE DIFFERENCES

## IMPORTANT DATES

During the month of April, we celebrated unique abilities and differences. On the live morning announcements, we sang a new song every morning titled, "YOU-Nique", shared various books about differences, and many of our 5th graders shared how they are unique!

May is  
Asian American Pacific  
Islander (AAPI) Heritage  
Month

May 2-6  
Teacher Appreciation Week

May 5  
PTO Meeting at 6:30

May 6th  
Fun Friday

May 19th  
Family Engineering Night  
5:00-7:00

May 23-25  
First Grade Music Programs  
and  
Third Grade Music Programs

June 4  
TESS STEMpede  
Color Fun Run

# Ideas for Playing with your Children

## Show and Tell

Kids love show and tell at school! Have them facilitate a family show and tell time. Stand in front of the family and talk about something, or show it off!

## Play School

Role play any aspect of school such as reading or math time and have your child be the teacher. This could be a fun way to help your child with homework. Have them be the teacher to you!

## Navigation Game

Blindfold your student and drive around for about 10 minutes. Make sure they don't peek! Then challenge them to try and navigate you home!
