PTO meetings provide information and discussion on fundraising and the current PTO events, along with where fundraising dollars are best invested. Meetings are held once a month and all parents are welcome to attend. The meetings are attended by Hanover parents, the PTO board/parent representatives, a school representative and Principal Brad Koltes.

The mission of the Hanover PTO (Parent/Teacher Organization) is to promote an open line of communication between parents, teachers and administration to give our students extra educational opportunities, what we call the "Hanover Experience". This experience provides our students with opportunities in the classroom and family focused events that make their time at HES both more enjoyable and a better atmosphere for learning. This support demonstrates to our children that education is important and we are behind them in every way
