

# STAR Readers FALL Fun Pumpkin Decorating Contest!

To celebrate our STAR Readers and the FALL season, Tatanka is having a pumpkin character contest! If you choose to participate, your task will be to create your favorite storybook character out of a pumpkin. Bring it to school starting on Monday Oct. 25th. The deadline for bringing in the pumpkins is Friday, Oct. 29th.

Here are the details:

1. Get a pumpkin that is 10 inches or smaller.
2. Decorate your pumpkin to look like your favorite storybook character. \*\*\*Only pumpkins that are decorated like a storybook character will be accepted and displayed in the media center.
3. Have fun and be creative while decorating your pumpkin! However, please do **NOT** carve or cut into your pumpkin (It will get stinky at school). You can attach things to the outside of it, paint it, add parts to it...Please do not send anything valuable.
4. Bring your decorated pumpkin storybook character and the book (if you have it) to the media center starting Monday, Oct. 25th - Friday, Oct. 29th. **\*Please put your name in the book and on the bottom of the pumpkin!**
5. The teachers will choose some of their favorite pumpkin storybook characters from each grade level to win a reading prize!

We hope that you enjoy this celebration of READING and FALL.

Happy Engineering Tatanka Students! 😊 Mrs. Wykle
