Whether you love acting, making new friends, or being part of something creative, there is a place for you in this production.

Synopsis: In the middle of his overscheduled life, Simon Ives dreams of a place where he can just stop and be. Meanwhile, at the farthest point in the universe, The Boy at the Edge of Everything lives by himself, lonely and bored. When an unlikely mishap (involving a surprising number of fireworks) sends Simon rocketing into space, their worlds collide---and neither of them will ever be the same. Deep feeling and joyful silliness sit side-by-side in an adventure for anyone who has ever felt overwhelmed by their days.
