

August 2021

Dear Families,

Welcome to the 2021-2022 school year. We have been busy planning for a fantastic school year. Summer is winding down and it is time to welcome our students back to Parkside for another great year of learning and growing.

If you've been by Parkside you've noticed the construction signs and crews. Over the summer our custodial crew has been hard at work cleaning, moving classrooms, and managing the remodel of our front office, a new music room, and creating support offices.

This is my second year as the Proud Principal of Parkside Elementary. Last year showed me how resilient and how determined our staff, students, and families of Parkside are. We can do hard things! This year will bring us so many opportunities for growth and learning. I look forward to getting to know more of our families.

This year we are excited to be able to welcome volunteers back into Parkside. Community involvement is a key component to any school's success. We welcome and encourage volunteers and hope that you will sign up to be a volunteer at Parkside.

The first day of school is Tuesday, September 7, 2021.

Open House Reminder: Please join us Tuesday, August 31, 2021 between 5:00 pm and 7:00 pm for the Parkside Open House. This is an opportunity to bring drop off your child's school supplies, meet your child's teacher, and complete any remaining forms.

If you have additional questions please feel free to contact the school office. (763) 682-8500

Sincerely,

Jeanna Miller
Principal
