Ideas to Act for the Common Good

Volunteering and service are more important during a crisis than ever. Social distancing does not mean social isolation. We're all in this together, so be a helper. Let's all do our part to contribute to the common good, so that when this crisis is over, we're proud of how we came together to keep our young people, our communities, and our democracies thriving.

Check out this link from Youth Service America for 10 ideas on how you can help Buffalo, Montrose, Hanover and the surrounding communities: [Youth Service American-Youth Changing the World](#).
