I DECLARE A
COIN WAR!

Bring in coins (pennies, nickels, dimes and quarters), dollar bills, or checks made out to TESS PTO.

Next, decide with your class (and teacher) if your money should go in your class collection bin or another class bin. **Friendly competition twist: change/ coins count positive towards your class bin. Cash or checks count negative so put those in another class bin!**

?

Kick off at The Spring Fling Dance on April 24th! Coins collected in classrooms April 27 - May 15, 2026.

A few more fun twists:

Mystery Monday - a random classroom will be pulled during morning announcements that instantly doubles their total
Wildcard Wednesday- classes can choose to pull a card that could protect them from negative cash or checks for the rest of the week

Weekly, Scholastic Dollars will be awarded to the winning classrooms to spend as they wish: \$50 to 2 classrooms with the highest average amount collected per student
