**FOLLOW THE PTO FOR REMINDERS & MORE INFORMATION!**

Dear TESS Families, Caregivers, and Local Businesses,

The Tatanka Elementary School PTO will be hosting our annual silent auction basket fundraiser on Thursday, February 1, 2024. Each classroom will sponsor a themed basket for the Silent Auction that will take place during Family Engineering Night.

Two options for donations:

- Connect with your child's classroom teacher to find out what items are needed for their basket theme
- Donate a basket from your local business

Currently, we are working to raise funds to help pay for the recently installed Sound Clouds in the Tatanka Cafeteria, which have reduced the noise level in this space dramatically, creating a much more pleasant experience for anyone in this room. From 2021-2023 we completed our largest fundraising project to date - the TESS playground addition project, the Zipkrooz. Our support of major projects like these would not be possible without the funds we raise annually.

As our TESS community continues to grow, the PTO remains committed to supporting the developmental and educational experience at Tatanka Elementary STEM School. Every dollar donated to the PTO through our fundraising efforts is used to support the ongoing needs of the TESS students and staff. We consult with Principal Iden, and seek parent & staff input to ensure all funds are utilized in the most impactful way.

Any donation you can make, no matter how large or small, is greatly appreciated! You can donate anytime at <https://tesspto.betterworld.org/donate>

Our tax id number is 01-0904429.

Thank you for your support!
