

Veterans Day is a day to honor the millions of Americans who have served, or are currently serving in the military to ensure our freedom and safety.

From November 10-24, we encourage students to bring in pictures of the special soldiers students and their families know. These pictures will be displayed in our Media Center to honor those who have given of themselves to defend our country's freedom during times of war and peace.

We invite you to come and walk around the Media Center and admire these great people. Read each of their names. As you do, remember to be thankful for them and the many soldiers who have died throughout the history of our country so that we may live in "the land of the free, and the home of the brave."

Please send the pictures starting November 10. Students can place them on the library bookshelf before school begins or bring them to the library during their class library time. We will display the pictures **through November 11/24**.

Below is a copy of the information we would like for each picture. If pictures are in a frame, that would be great. If possible, please do not send pictures bigger than 8x11 inches.

Thank you for sharing the veterans you know with us. **It will be wonderful to have our students and staff honor them for their service to our country.**

Please be sure this information comes with <u>each</u> picture. You may use this form or a piece of paper the size of an index card to set next to your veteran's picture.

Name of service member:_____

Branch of the military:_____

Any special information about the veteran:_____

_____

Name of student or staff member:_____

Relationship to the student or staff member: _____

Classroom Teacher's Name: _____
